

3-PIECE ADA CABLE CROSSINGS

THE GO-TO STANDARD FOR MAJOR EVENTS & JOB SITES

Our 3-piece ADA Cable Crossings — with unlimited additional cable channels as needed — are the go-to standard used at all major sporting events, concerts, and industrial job sites.

BUILT FOR REAL JOB SITES

- Protects cables and hoses from damage
- Prevents trip hazards for pedestrians
- Supports vehicle and equipment traffic
- Keeps work areas clean and organized

IDEAL FOR

- Construction sites
- Events & festivals
- Warehouses & industrial environments
- Temporary cable management setups

ACCESSIBILITY & SAFETY

- Smooth transitions for pedestrians
- Compatible with ADA-style ramp systems
- High-visibility colors improve awareness in busy environments
